Alternative Investment Trust (ARSN 112 129 218) (**Trust**) is a registered managed investment scheme under the Corporations Act 2001 (**Corporations Act**). Columbus Investment Services Limited (ACN 095 162 931) (**CISL** or **Responsible Entity**), a subsidiary of One Investment Group (**OIG**), is the responsible entity for the Trust is responsible for establishing and monitoring the corporate governance policies relevant to the Trust. The Responsible Entity holds an Australian Financial Services Licence authorising it to operate the Trust and, among other duties, has a duty to act in the best interests of unit holders of the Trust and if there is a conflict between the members' interests and its own interests, give priority to members' interests. As a registered managed investment scheme under the Corporations Act, the Trust has a compliance plan that has been lodged with the Australian Securities and Investments Commission (**ASIC**). A copy of the compliance plan can be obtained from the Responsible Entity or ASIC.

The corporate governance policies relevant to the Trust are available in the investors section of the Trust's website at www.thealternativeinvestmenttrust.com. These policies and the Responsible Entity's corporate governance practices mostly meet the requirements of both the Corporations Act and the 3rd edition of the Australian Securities Exchange Corporate Governance Council's Corporate Governance Principles and Recommendations (ASX Recommendations) as they apply to externally managed listed trusts.

This Corporate Governance Statement was approved by the Board of the Responsible Entity and is current as at 28 February 2019 in accordance with ASX Listing Rule 4.10.3.

Compliance with ASX Corporate Governance Principles and Recommendations

Principle 1 - Lay solid foundations for management and oversight

Recommendation 1.1 [Alternative for Externally Managed Listed Trusts] The responsible entity of an externally managed listed entity should disclose (a) the arrangements between the responsible entity and the listed entity for managing the affairs of the listed entity and (b) the role and responsibility of the board of the responsible entity for overseeing those arrangements.

CISL is an independent responsible entity. This means, in respect of the Trust, a number of the functions traditionally performed by an entity's management are instead performed by the Investment Manager. CISL monitors the performance of the Investment Manager in much the same way as an independent board monitors performance of management of the entity they are appointed to.

The roles and responsibilities of the Responsible Entity and the Investment Manager in connection with the Trust are set out in the Constitution and Management Agreement respectively.

With regards to performance of CISL's role and responsibility as responsible entity, it has a Board Charter supported by policies and procedures that set out the respective roles and responsibilities of management including those matters expressly reserved to the board and those delegated to management.

Given the size of its business, the Responsible Entity operates with a flat management structure with the Board delegating a number of its functions, activities and duties to managers and external service providers.

Recommendation 1.2 – Conduct appropriate pre-appointment checks	Recommendation 1.5 – Diversity Policy
Recommendation 1.3 – Written appointment letters	Recommendation 1.6 – Periodic evaluation of directors, board and committees
Recommendation 1.4 – Accountability of company secretary	Recommendation 1.7 – Periodic evaluation of senior executives

These recommendations are not relevant as the Trust (as the listed entity) is an externally managed entity.

CORPORATE GOVERNANCE STATEMENT

Principle 2 - Structure the Board to add value

Recommendation 2.1 – Have a nominations committee Recommendation 2.2 – Board Skills Matrix	Recommendation 2.4 – Majority of Board Independent Recommendation 2.5 – Chair to be independent Recommendation 2.6 – Induction program for new directors
---	--

These recommendations are not relevant as the listed entity (the Trust) is an externally managed entity.

Recommendation 2.3 – Entity to disclose names of directors considered independent and if they have an interest but are still considered independent – disclose why and disclose length of service of each director

In determining the independence of directors, the Board has considered the factors set out in Box 2.3 of the ASX Principles.

The current Board of the Responsible Entity comprises three executive directors and no independent directors.. All three directors, however, are independent of the Investment Manager which has day to day control of the Trust's Portfolio.

Two of the executive directors have been a director of CISL for more than 7 years. The third executive director was appointed on 26 October 2018 replacing CISL's one non-executive director who resigned.

The Responsible Entity's compliance with the Corporations Act is monitored by Compliance Committee which comprises a majority of external members (under the criteria set out in section 601JB(2) of the Corporations Act). The Responsible Entity is required to establish and maintain a Compliance Committee as the majority of its directors are not external directors when considered against the factors set out in section 601JA(2) of the Corporations Act.

Principle 3 – Act ethically and responsibly

Recommendation 3.1 – Establish a Code of Conduct.

The Responsible Entity has adopted a Code of Conduct that sets out the minimum acceptable standards of behaviour. Directors, management and staff are required to act with honesty, decency and integrity at all times. On joining OIG, all new employees receive training on the Code of Conduct and related policies and refresher training is provided annually to all staff. Staff are encouraged to report any breach of the Code of Conduct and related policies and procedures, and the Responsible Entity has a Whistleblower Policy in support of this. The Code of Conduct is available on the Trust's website at www.thealternativeinvestmenttrust.com.

Failure to comply with a material provision of the Code of Conduct or any of the Responsible Entity's related policies is regarded as a serious breach of the relevant policy requiring investigation which may result in disciplinary action ranging from warnings to termination.

Principle 4 - Safeguard integrity in financial reporting
