Dear Unitholder

NON-RENOUNCEABLE RIGHTS ISSUE – INFORMATION TO UNITHOLDERS

One Managed Investment Funds Limited (**OIG**), the responsible entity of the Alternative Investment Trust (**AIQ**) and Warana Capital Pty Limited (**Warana**), the Fund's investment manager, are pleased to invite Eligible Unitholders to participate in a pro rata 1 for 1 non-renounceable rights offer by AIQ (**Rights Issue**) of new fully paid ordinary units in AIQ (**New Units**), at a price of each New Unit of \$1.47 (**Offer Price**), being the most recently announced 31 July 2025 adjusted NTA, rounded to the nearest cent.

Entitlements not taken up may become available as additional units. Eligible Unitholders may, in addition to their entitlements, apply for the New Units over and above their entitlement at the Offer Price (**Additional Units**) regardless of the size of their present holding.

The Rights Issue will be conducted under section 1012DAA of the Corporations Act 2001 (Cth) (Corporations Act) and does not require a product disclosure statement.

The proceeds of the Rights Issue will be primarily used to support AIQ's ongoing investment activities. As previously announced, AIQ also intends to increase annual distributions to unitholders to 10% of Adjusted NTA beginning with the distribution in early 2026.

Key Information About the Rights Issue

The Rights Issue is non-renounceable.

Each Unitholder on the AIQ's register of members who has a registered address in Australia or New Zealand (**Eligible Unitholder**) at 5:00pm (Sydney time) on 22 August 2025 (**Record Date**) will be entitled to subscribe for one New Unit in AIQ for every one ordinary unit held at the Record Date, at a price of \$1.47 per unit. The entitlement of Eligible Unitholders to participate in the Rights Issue will be determined on the Record Date. The entitlement will be shown on a personalized Entitlement and Acceptance Form. Entitlements to New Units can be accepted by eligible Unitholders in full or in part.

Eligible Unitholders may take one of the following actions:

- take up all of their entitlement (and may also subscribe for Additional Units);
- take up part of their entitlement; or
- do nothing.

Entitlements to the New Units under the Rights Issue are non-renounceable, which means that entitlements will not be tradeable on ASX or otherwise transferable. If an Eligible Unitholder does not take up their entitlement by 5 September 2025 (**Closing Date**) of the Rights Issue, that Eligible Unitholder's entitlement under the Rights Issue will lapse and its interest in AIQ will be diluted.

The Offer is not underwritten and existing investors at the Record Date will be given an opportunity to subscribe for the shortfall of any units not taken up by other investors.

The New Units issued under the Rights Issue and Additional Units will be fully paid and will rank equally with AIQ's existing ordinary units. The Responsible Entity has made an application to the ASX for official quotation of the New Units.

Overseas Unitholders
